

## Are you.....

*A boarding facility looking for new ways to help bring boarders into your barn?*

*A training facility looking to extend your client base?*

*A lease facility that does public trail rides and looking for new ways to bring in more business?*

*A horse broker looking to place sound, healthy horses into a new home?*

*A horse breeder that has registered horses they are looking to place.*

*A horse rescue that is looking to take in and help equine in need.*

*Let us show you how a partnership with HHT can help you accomplish all of these.*

## What is a Partnership?

Partnering up with HHT offers benefits not only to the horses in Tennessee, but also to those who get involved. Depending on what type of service you provide will depend on what aspect of our Saddle Up Partnership you would fall under.

All partnerships will be for a 12 month period and will require a renewal every year. HHT also reserves the right to refuse or revoke a partnership at any time during this period.

### HHT 4-Hoof Stomp of Approval Program

During the year a HHT agent will visit and grade how your doing. The better your grade, the more horse shoes awarded the next year. Basically works like the five star hotel system. Once graded you can use this in your advertising to help increase traffic to your facility or business. There is no cost to you to be a part of this program. All we ask in return is that you use every effort to insure a safer, healthier life for the horses you come in contact with. For many of you, the horse is your livelihood and we want the public to know that you honestly care about your involvement with the horses, and in turn we hope the public will become loyal patrons to your establishment.

## What's in it for the horses?

- *Matching the right horse with an adopter is a high priority to ensuring a perfect match. By allowing an adopter the opportunity to board or train a horse adopted from HHT at a reputable boarding/training facility, helps us to accomplish this.*
- *Helping to insure the safety and well being of equine being used for the publics enjoyment.*

Gentle training methods are always the best.

- *Help potential horse owners find that special friend to add to their family by working with reputable horse brokers, breeders and rescues.*

## Boarding facility partnership:

*Offering a discounted boarding rate to adopters of HHT horses. This helps to give adopters the incentive to board at a pre-approved facility while helping to give an abuse/neglected horse a second chance.*

*Offering a 90 day trial board option which will insure for a good match between the horse and adopter while fostering a good relationship between the adopter and facility.*

*Offering help if needed to new adopter during the 90 day trial period in regards to basic horse care.*

*Allow periodic facility HHT Hoof Stomp of approval inspections.*

## Training Facility Partnership:

*Offering discounted training fees for horses adopted through our program.*

*Working with adopters to make their horse ownership experience a good one.*

*Allow periodic facility HHT Hoof Stomp of approval inspections.*

## Trail Ride Facility Partnership:

*Agree to abide by weight limit restrictions.*

*Agree to only use horses that are sound and not in need of medical attention.*

*Agree to use only proper fitting tack, and offer adequate water, feed and shelter for working horses.*

*Allow periodic facility HHT Hoof Stomp of approval inspections.*

## Breeder / Broker Partnership:

*Deal in sound, healthy horses with the appropriate paperwork.*

*Take the extra effort to match a horse with its rider and level of experience.*

*Breeds responsibly to improve the breed.*

*Allow periodic facility HHT Hoof Stomp of approval inspections.*

## Horse Rescue Partnership:

*Willing to follow the rescue facility guidelines set forth by AAEP Care Guidelines for Equine Rescue and Retirement Facilities.*

*Willing to sign a Ethical Code of Conduct.*

*Willing to join the State of Tennessee Equine Rescue Network.*

*Allow periodic facility HHT Hoof Stomp of approval inspections.*
